Big Banner Ads

This opportunity is creating extremely high levels of exposure and return for participating members. In this economy, The Chamber has made a commitment to our Membership to provide cost-effective, affordable and on-target advertising venues. This advertising program is another way in which we are fulfilling that promise.

Visit www.amarillo-chamber.org and notice the large marketing messages at the top of our page. September is always such a whirlwind month for the Chamber. We wrap up the end of our fiscal year with our biggest event: the Good Times Celebration Barbecue Cook-Off. This year we had record breaking numbers despite there being a "recession" in most economies. I think that says a lot about the Amarillo community and how we continually work to grow our businesses, events, contacts and support one another. Thanks supporters...we couldn't do it without you.

We are less than a week into our new fiscal year, and already have big things on the horizon. You will be hearing in the coming days and weeks how the Chamber has been working on a project for 2 1/2 years we are proud to finally unveil. We know that so many in our community have the potential to benefit from this great opportunity. Stay tuned!

Be sure to check out our new Chamber Board of Directors list on page 2. We are excited to have them.

So as always, tell us how we are doing. Give us your suggestions, feedback, and input. Get involved. We are YOUR Chamber.
